Beauty & the Bookworm Recommends.....

1. Elf – H2O Proof Eyeliner Pen

Now that Elf is available in Sephora, Bahrain, I highly recommend this affordable felt-tip liquid liner. It delivers bold, jet-black colour and stays put throughout the day or festive night.

2. Charlotte Tilbury – Unreal Skin Sheer Glow Tint

Delivers a beautifully luminous, second-skin finish with sheer-to-light buildable coverage and a “ring-light” glow, blending effortlessly and feeling effortless on the skin.

3. Westman Atelier – Face contour stick

This luxurious cream-contour stick blends like a dream and gives a soft, natural-looking sculpt without harsh lines or ashiness. A more premium product but well worth the price.

4. Refy – Brow Sculpt (Shade- clear)

This clear wax-gel hybrid lifts and locks brow hairs into place with a dual-ended brush-and-comb tool, delivering a “laminated” look that lasts through heat, sweat and humidity.

1. Death in the Snow by Sarah Sabt

Written by a 13 year old Bahraini author, this is a fantastic read for young adults and adults alike. A school ski trip turns disastrous when a teacher is murdered and all the teachers and students become suspects. Gripping and filled with twists and turns!

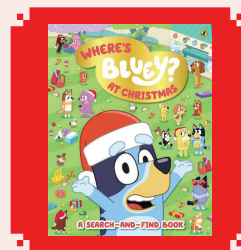

2. I'll be Home for Christmas by Jenny Bayliss

A warm holiday story about people returning to old relationships and unfinished business. In the days before Christmas, they face past hurts, seek forgiveness, and discover what home really means.

3. Santa and Son by David Walliams

A fun, light story about Santa's child stepping into the world on their own. When trouble arrives at the North Pole, the son must figure out who he is, what he believes in, and how to save Christmas. It mixes humour, heart, and a bit of chaos with that classic Walliams charm.

4. Where's Bluey at Christmas?

A festive search and find book where you look for Bluey, Bingo, and their family in busy holiday scenes. Each page is filled with colourful Christmas chaos as Bluey goes missing in the fun, and readers scan the pictures to spot her and other hidden surprises.

These recommendations are from lovely Meg Hutchinson at Beauty & The Bookworm. Follow her here @beautyandthebookworm_
